

Tyler SIS Parent Portal

Enhance your connection between your children and their education.

To begin using the Parent Portal, follow these steps:

1. Fill out the Parent Portal Registration form and return it to the school.
2. Your password will be emailed to the address you provided on the registration form.
3. Go to the Parent Portal web page <https://sisk12.wentzville.k12.mo.us/WZCO/Default.aspx?Action=Parent>
4. Click on the Parents tab and then log in. You must be on the Parents tab in order for your login to work.

If you have problems or questions about accessing the site, please contact the school where your child is enrolled.

NOTE:

- If your email address changes, be sure to contact the school and let them know so your contact info can be updated.
- If you forget your password, click the *Forgot your password?* link, enter your email address, and your password will be emailed to you.
- The Parent Portal supports the following web browsers:
 - PC with Internet Explorer 7 or later (Compatibility View is not required for the Portal)
 - PC and Mac with Firefox version 3 or later
 - PC, Mac, and Android tablet with Chrome
 - Mac and iPad with Safari 5 or later

Once inside the Portal, you will have access to several different areas of information for each child you have enrolled in the district. Each of these areas is explained below.

If you have more than one child enrolled, select which child's information you wish to view by selecting from the Student dropdown list at the top of the page.

Normally you will want to view information for the current school year, but if you have a need to view information from a previous school year, use the Year dropdown list.

If preferred, the Portal can be displayed in Spanish. Use the Select Language dropdown to select Español. This will translate the fixed text in tabs, buttons, and column headings. Note: Data entered by teachers and administrators will not be translated.

On any of the pages, if a teacher's name is underlined, it means an email address is available for that teacher. Clicking the name will let you send an email to them.

Special Additional Attendance

If the district tracks and reports attendance that occurs outside the normal school day, it will be displayed on this page.

Attendance Steps

Districts have the ability to designate a point value for each absence (e.g. excused absences might count as five points, excused absences count as one point, etc.) These points are then totaled and letters are mailed to the parents of students who have more than a certain number of points. Contact the district for details about their Attendance Step policy.

If the student has had any discipline incidents, they will be displayed on this page.
