Agenda

Welcome and Introductions

Overview and Purpose of the Data Governance Committee

Meeting Norms - 1 Hour, Once a Year

COPPA and Apps / Extensions

Policy 2745 (Data Breach)

Incident Response Communication

Student Privacy Parent Information Brochure

SISK12 and Password Policy District Feedback

Recommended to look at what State Auditor states regarding Password Requirements

Password Compromise Brainstorm

Options to Consider: Logins for Substitute Teachers, Part of the Long Term Sub Process (ie - when requested for FMLA, Password Compromised Group (different password settings), education is key.

Additional Comments

Look into using different password scheme for students and/or Change Password Options for students

Next Meeting: Tuesday, April 28, 2020 (4:00 PM)
 Innovation Room, Berrey-Place Center
