

PUBLIC NOTICE

All responsible public agencies are required to locate, evaluate and identify children with disabilities who are under the jurisdiction of the agency, regardless of the severity of the disability, including children attending private schools, children who live outside the district but are attending a private school within the district, highly mobile children, such as migrant and homeless children, children who are wards of the state, and children who are suspected of having a disability and in need of special education even though they are advancing from grade to grade. The Wentzville R-IV School District assures that they will provide a free, appropriate public education (FAPE) to all eligible children with disabilities between the ages of 3 and 21 under their jurisdiction. Disabilities include autism, deaf/blindness, emotional disorders, hearing impairment and deafness, intellectual disability, multiple disabilities, orthopedic impairment, other health impairments, specific learning disabilities, speech or language impairment, traumatic brain injury, visual impairment/blindness and young child with a developmental delay.

The Wentzville R-IV School District assures that they will provide information and referral services necessary to assist the State in the implementation of early intervention services for infants and toddlers eligible for the Missouri First Steps program.

The Wentzville R-IV School District assures that personally identifiable information collected, used or maintained by the agency for the purposes of identification, evaluation, placement or provision of FAPE to children with disabilities may be inspected and/or reviewed by their parents/guardians. Parents/guardians may request amendment to the educational record if the parent/guardian believes the record is inaccurate, misleading or violates the privacy or other rights of their child. Parents have the right to file complaints with the U.S. Department of Education of the Missouri Department of Elementary and Secondary Education concerning alleged failures by the District to meet the requirements of the Family Educational Rights and Privacy Act (FERPA).

The Wentzville R-IV School District has developed a Local Compliance Plan for the implementation of State Regulations for the Individuals with Disabilities Education Act (IDEA). This plan contains policies and procedures regarding storage, disclosure to third parties, retention and destruction of personally identifiable information and the assurances that services are provided in compliance with the General Education Provision Act (GEPA). This plan may be reviewed at the Wentzville R-IV School District.
