Choice Sessions

Mon. August 8th @ Liberty High School

Time	Session	For	Room
1-3 pm	6th Grade SS Scope & Sequence with <i>Nichole Nolan</i> This session is for new to WSD and experienced 6th grade SS teachers.	6	322
1-3 pm	Elementary ELA K-2 with Margo Mann Come and learn more about teaching small groups! Small groups provide explicit modeling and feedback that will be sure to enhance your students' understanding of reading skills. Your students will leave your small group with tools and strategies to become independent problem solvers while reading and thinking. You will also learn about our district phonics curriculum. This will help you boost your knowledge on how to provide an effective word study approach for your students. We want to set you up for success for your first year in the WSD!	K-2	Library
1-3 pm	Elementary ELA 3-5 with Margo Mann Come and learn more about teaching small groups! Small groups provide explicit modeling and feedback that will be sure to enhance your students' understanding of reading skills. Your students will leave your small group with tools and strategies to become independent problem solvers while reading and thinking. You will also learn about our district phonics curriculum. This will help you boost your knowledge on how to provide an effective word study approach for your students. We want to set you up for success for your first year in the WSD!	3-5	Innovation Room
